Wheel dumper DV60 dual view

Material number 1000391566

The dumper as big innovation on the job-site - the driver can see in both directions, this raises the bar in the area of security and efficiency

Product details

- The 180° turnable driving seat ensures a circumferential visibility and a maximum safety on the job-site
- The new driver's position concept enables the driver to turn the seat and the console terminal at 180°
- The dual view drives like a job-site truck, but considerably more useful off-road
- Fully control over the load and precise dumping
- High ground clearance for use in rough terrain
- The hydrostatic drive and the hydrostatic brake action relieve the use enormously
- Acceleration from 0 to the maximum of 20 km/h without loss of tractive effort
- All of the dual view dumpers outreach the effective norm of field of vision ISO 5006 and ensure a maximum of safety
- The very comfortable cabin is provided (partial optional) with tinted windows, climate control, sunscreens, oddments storage places and much more

Configuration of Wheel dumper DV60 dual view on 09/07/2019
